Notice.

It is hereby notified for the information of the public that certain unserviceable stores, such as, old pipe fittings, furniture, etc., will be sold by public auction on such days and place as noted below against each Sub-Division :—

Name	Date of sale	Time of auction
Chamarajendra Water Works, Bangalore City ...	4th January 1934	9-30 A.M.

N.B.—For further particulars, apply to the Range Officer, Chamarajendra Water-Works, Bangalore, during office working days betwen 11 A.M. to 5 P.M.

Notice, dated ..... December 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water Supply Division, up to 4 P. M. of *5th January* 1934, for carting from time to time about 3,000 bags of Sulphate of Alumina, each bag weighing about two cwt. (1) from the City Railway Station to the Stores of this office, (2) from the Stores to the Combined Jewell Filters, Malleswaram, Bangalore City, (3) from the City Railway Station to Combined Jewell Filters, Bangalore City, for the period from the 15th January 1934 to 31st December 1934. The rates to be quoted should include unloading from the Railway Waggon, loading to carts or lorries, carting to site, unloading at site and stacking as per instructions.

2. Tender presented after due time will not be considered.

3. Each tender should be superscribed "Tender for carting Sulphate of Alumina" and to be opened on the 19th January 1933 and should be accompanied with an earnest money of Rs. 25.

4. The consignment is to be cleared immediately after it is passed by the Goods Department.

5. The bags should be delivered in the same condition as they were received by the Goods Department.

6. The final acceptance of the tender will rest with the Executive Engineer, Water-Supply Division, who does not bind himself to accept the lowest or any tender or to assign any reason, whatever for the rejection of any tender.

7. The name of the successful competitor whose tender has been accepted will be posted on the "Notice Board" in the usual course.

8. The quantities are not guaranteed.

9. The contractor will be held responsible if any demurrage is to be paid owing to delay in carting the bags in time.

10. The earnest money of the successfull tenderer will be retained with the Department as a security deposit. In case the carting contractor fails to fulfil the terms of the contract in any respect, the contract will be cancelled and the earnest money forfeited to Government.

Tender Notification, dated ..... December 1933.

1. Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water Supply Division up to 4 P. M. on *5th January* 1934, for carting work as follows for the period 15th January 1934 to 31st December 1934.

2. Unloading from Railway Waggon or any other place and loading up of articles to carts or lorries, carting and delivering at the site and stacking. Rate per mile to be given under the following classification :—

a. Light articles, each article weighing two cwts. and less rate to be given per cart per mile.

b. Medium each article weighing, two cwts. to ten cwts. (rate per cwt. per mile).

c. Heavy-all other articles each weighing more than ten cwt. (rate per cwt. per mile).

3. Tender presented after due time will be considered.

4. Each tender should be superscribed "Tender for Carting Articles to be opened on 5th January 1934."

5. The consignment is to be cleared immediately after it is passed by the authorities concerned.

6. The articles should be delivered in the same condition in which they were taken for carting.

7. The final acceptance of the tender will rest with the Executive Engineer, Water Supply Division, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

8. The name of the successful competitor whose tender has been accepted will be put on the Office Notice Board in the usual course.

9. The contractor will be held responsible if any demurrage is to be paid owing to the delay in taking delivery and carting the articles in time.

10. This contract will applicable to the carting work to be done both for Executive Engineer's Office, Water Supply Division and for the Office of the Range Officer, Chamarajendra Water Works, Bangalore.

11. An earnest money of Rs. 25 is to be deposited along with the tender which will be retained with the Department in the case of the successful tenderer as a Security Deposit, the earnest money of the rest being refunded after the tender is disposed of. In the case of the carting contractor failing to fulfil the terms of the contract in any respect the contract will be cancelled and the earnest money forfeited to Government.

H. F. MARKER,
Executive Engineer.

BUILDINGS DIVISION, BANGALORE.

Notification, dated 18th December 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Buildings Division, up to 2nd January 1934, 2 P.M., for constructing Rifle Range for Mysore Infantry at Hebbal, Bangalore in a line with the existing Rifle Range for Mysore Lancers. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1934.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees one hundred and twenty-five only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Rifle Range for Mysore Infantry at Hebbal" Bangalore, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, Buildings Division, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
